

APPEAL – MARCH 2020

At YMCA Exeter, our Housing Support Team are continuing to care for and support 60 vulnerable and previously homeless young people during the Covid-19 outbreak.

We are therefore in desperate need of some additional cleaning materials to enable us to continue providing clean and safe environments for all our residents. The supplies we need are:

- ▶ Anti-bacterial spray or anti-bacterial spray bottles
- ▶ Toilet cleaner (not bleach)
- ▶ Hand sanitizer (any size)
- ▶ Toilet rolls
- ▶ Hand soap
- ▶ Air freshener
- ▶ Sponges
- ▶ All surface wipes
- ▶ Cloths

If you would like to make a donation or need any more information, please contact Emily Hornsby at office@ymcaexeter.org.uk or call our main line on 01392 410530.

Thank you in advance for your generosity and support towards our work!
